| Comments:            | Unless there is also plan to build new roads, doctors surgeries, parking at local amenities and schools then this small rural village just won't cope, we are already bursting at the seams. Wrotham road is already so busy and dangerous, causing high levels of pollution and children unable to cross safely. We just don't have the resources to accommodate any further rise in the population of Meopham. |

Kind regards
