Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this development as the a227 is far to busy already adding 200 more vehicles to this already busy road will be madness there's already been calls for the road to be put back to a b road as it's multiple accidents there's no street lighting for pedestrians the whole way along the road the woods that back on to the site are ancient woodland and will be affected by the development it will affect the privacy of neighbouring homes and does not fit the look of Meopham village use brown field sites as stated in your plan for more homes first

Kind regards
