Reasons for comment:	
Comments:	<p>This proposed large scale development would have a far reaching detrimental effect on the entire village of Meopham/Culverstone.</p> <p>The A227 is already saturated with traffic especially at peak school and comuter times.</p> <p>The local primary schools and secondary school which have recently expanded there student capacity will not have capacity for new residents.</p> <p>The doctors facilities are limited and I see no proposals to address these issues in advance of any large scale housing developments.</p> <p>Let's not forget this development should not even be a subject of discussion as it is on GREEN BELT!</p>

Kind regards
