Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I wish to object to this planning application based on the following points:- 1. Loss of 'bungalow' housing stock which may become available at a later date for those wishing to downsize; 2. If the applicant wished to live in a two storey property why did they not buy one rather than seek to convert a single storey property into two storeys?; 3. The housing stock on the 'lower odd numbered' side of Tennyson Walk up to no. 53 Tennyson Walk are bungalows. There have been modifications carried out by some of the property Owners but the properties remain bungalows in appearance. 4. The properties from no. 55 Tennyson Walk are two storey houses. To introduce a two storey house in between a run of bungalows would be incongruous and spoil the current street scene.
