Comments:	I oobject to the 100 houses being built at blackthorn farm. This will make the roads even more busier than it is now, it's already very dangerous with cars, bikes speeding along & heavy lorries passing. We have a school just along the road which will make it difficult & dangerous for school children to cross. This will make the doctors even more busier to get an appointment. With all the buildings being built on around here & Meopham I feel this will change a lovely village into a town.

Kind regards
