Reasons for comment:

Comments:	<p>The A227 is already jammed up by deliveries and breakdowns. It is not capable of sustaining any more traffic , large vehicles can barely pass on parts of the road, we live on the main road in Culverstone and have trouble sleeping. More houses mean more early morning traffic - more HGVs.</p> <p>100 houses - at least 150 more cars and vans plus delivery traffic daily.</p> <p>Schools and medical clinics are already struggling to keep up. There are several schools already in the area this will make the roads more dangerous with speeding traffic as there are insufficient deterrents to stop them speeding, we already have motorcycles are cars passing our property at ridiculous speeds.</p> <p>It will also encourage more building companies submitting plans to build more and eventually turn our village into a town.</p> <p>This has got to stop.</p>
