Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The infrastructure, medical facilities and schools are already at breaking point in the area. Access roads are poorly maintained and water pressure in the area is very poor. Are all these things going to be fixed? Throwing money at the existing medical and dental facilities will not resolve anything additional facilities are needed before any new houses are built

Kind regards
