Reasons for comment:	
Comments:	The locals don't want this. Firstly our roads cannot cope with the traffic as it stands adding this volume of extra people is ludicrous. Secondly why is this even being considered in a Green Belt area?? Losing more green space is not good for nature or our environment. It should be protected at all costs. And thirdly when you house all of these extra people how does Meopham cope? The medical centre is already struggling! Very concerning for us that live in the area. Hopefully if Reform get in, in time this will get stopped. We are sure they would object.

Kind regards
