## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	i dont think this is a suitable place for a new residential build.this would cause more ,traffic problems in this area and would not fit in with the already dense ,surrounding housing properties.parking in this area ,is already a problem,even when the dustmen and delivery companies ,try to collect refuse and deliver goods. also privacy to the neighbouring properties would be affected.this application should be rejected

Kind regards
