Commenter Type: Member of the Public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment:

Comments: To contemplate an additional 450 houses in this area is foolish. That means an extra 700 plus cars needing access to the new development close to the two busiest junctions in meopham and close to schools etc. Quite apart from the loss of agricultural and wildlife land.

I really hope that Gravesham Planning requires a full assesment of the environmental impact.

Kind regards
