Dear Gravesham Borough Council

TUDOR COTTAGE, NASH STREET, MEOPHAM

We have submitted an application under planning ref. 20250944 for the *conversion of outbuilding to form an annexe with erection of a single storey extension*. Concurrently we have submitted an application under planning ref 20250943 for the *change of use of land to equestrian, with the erection of a stable block*. As detailed in the submitted planning statements, these applications have been submitted for the following key reasons:

- 1) To provide new stabling for our horses so that they can be relocated from a building that is not suitable
- 2) To improve the amenity for the occupiers of Tudor Cottage and improve the setting of Tudor Cottage
- 3) To safeguard what will otherwise become a redundant designated building
- 4) To provide accommodation for an elderly relative

Point 4) is the most critical for our family. This supplemental letter provides additional information on why an annexe is required.
