Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I wish to object to the proposed loft extension.
The loft extension would result in a loss of privacy for a number of nearby properties. Due to the height of the building and with the added extension and the proposed windows / balcony there would be increased overlooking into neighbouring gardens and into the homes of surrounding residents.
This would have a negative impact on the privacy and enjoyment of neighbouring properties.

Kind regards
