FAO Planning Department

Dear Amanda Grout

Re: 20211281 – Old Pond Farm, Dean Lane, Harvel, Gravesend Kent DA13 0BS

Following a discussion with members of Meopham Parish Council's Planning Committee, the following recommendations were agreed:-

Meopham Parish Council objects to this application on the grounds that the proposed development is more than a mere annex and would in fact be an additional dwelling and thus constitutes over development in the Green Belt.

Yours sincerely

Sarah Eggesden
