Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposed project involves constructing an outbuilding at the rear of the garden, intended for use as a private tattoo studio.

The existing driveway and pathways will be used. A parking space will be allocated on the driveway specifically for clients.

Means of draining the land/buildings: Guttering for the outbuilding and a soakaway. Plumbing for the studio will be a Saniflo system that runs into the existing drain.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☒ Yes
☐ No

If Yes, please give a full description of the scale and nature of the proposed use, including the processes to be carried out, any machinery to be installed and the hours the proposed use will be carried out

The proposed use of the outbuilding is to convert it into a private tattoo studio.

Operating Hours: Monday to Saturday 10:00 AM to 5.00 PM (appointment-only)

The studio will be operated by one tattoo artist (Joint owner of the residential property)

There will be a dedicated space on the driveway for client parking. Clients will have side access.

The studio will be separate from the residential house, with no shared spaces or facilities, ensuring it operates independently.

If Yes, please fully describe the existing or the last known use, with the date when this use ceased

Has the proposal been started?

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The studio is 6m x 4m (Internal space 19.8m2)

Flat roof with a maximum height of 2.5 metres.

The structure will remain a minimum of 450mm away from the neighbour's boundary and 600mm from the rear boundary adjoining an alleyway.

Will consist of a main studio work area with a small WC with hand basin.

Constructed using 140mm block and render in a neutral tone, to blend seamlessly with the surroundings.

The proposed outbuilding will not contain any living accommodation and will not have a microwave antenna.

The proposed outbuilding, situated within 2 metres of the boundary, falls within the height condition relating to proximity to the boundary.

No balconies or verandas are proposed. Any decking installed to aid entry and exit to/from the proposed outbuilding will not exceed 300mm in height.

The proposed development of a private tattoo studio, operated from the proposed outbuilding within the grounds of my property, does not seem to represent a material change of use of the premises:

Will your home no longer be used mainly as a private residence? No, my home will continue to be used as a private residence. The studio, operating from an outbuilding in the garden with a separate entrance, will have no impact on the residential use of the main house. This clear separation ensures that the main house remains a private, family living space, upholding its primary residential purpose without any overlap with the business.

Will your business result in a marked rise in traffic or people calling?

No, the studio will be used solely by myself. It will cater to a maximum of 2 clients daily within standard business hours. Additionally, clients will be provided with a parking space on the driveway, ensuring no extra traffic on the road.

Will your business involve any activities unusual in a residential area?

No, as an appointment-only tattoo studio, the business will operate discreetly.

Will your business disturb your neighbours at unreasonable hours or create other forms of nuisance such as noise or smells?

No, the studio's operation (10 am to 5 pm, Monday to Saturday) does not disturb my neighbours. The quiet and controlled nature of a professional tattoo studio will not create significant noise, odours, or other nuisances.

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No
