

NOTES

- 1 - The proposed garden room will be constructed with 140mm dense concrete blocks on a solid concrete strip foundation measuring 450mm wide by 600mm deep.
- 2 - The garden room will have a smooth rendered finish (colour to be confirmed)
- 3 - The external dimensions of the structure are 6000mm x 4000mm. The internal floor area will be a total of 19.8m²
- 4 - The garden room will be situated 450mm at the nearest point to the neighbouring fence increasing to 600mm at the rear. As indicated on the site plan.
