Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this work, the work has already begun at the weekends, pneumatic drilling, cement lorries blocking the close, mini diggers all over the place and soil and mess being left in the road. Saturdays and Sundays work is being carried out at unreasonable times, since February 2025. I have evidence from the noise this Saturday and the close being blocked. I recently moved to the area for a quiet life, seems that I have moved onto a building site. It is also effecting neighbours and their way of life, we have had no consultation letter from the council on this neither have the owners bothered to inform residents of when they will be blocking the close.

Kind regards
