Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My two nephews, who I visit regularly, live on this road. We are particularly close since the death of their mother last year. I require parking close to their property due to the impact of a stroke I have suffered. I fear I will not be able to visit my nephews any longer if this development goes ahead, due to the severe constraints on parking the additional staffing would require.

Kind regards
