Reasons for comment:

Comments:	I currently live in Gravesend and am looking to buy my first property in the near future. This was a road I was considering purchasing a property in, however a proposal such as this dissuades me from doing so. I worry how such a development will impact property prices on the road, likely having a negative effect. One reason why this may be is due to the impact of parking on the road, with 8 staff required to park on an already very busy road.
