Reasons for comment:

Comments:	<p>I object to the proposal for the following reasons:</p> <p>Meopham and surrounding areas do not have the infrastructure to cope with additional housing - public services are already at their limits with long waits for doctors surgeries/hospital appointments and no school places.</p> <p>The road infrastructure cannot cope with the current volume of traffic, given that this will be increased (anticipated by 50%) by the Lower Thames Crossing the villages will be at gridlock. add to this the potential pollution issues. The countryside is imperative for people to have access to health reasons- this must be protected !</p> <p>I opted to live in a village NOT a town - we cannot ruin our countryside with urban sprawl. It will fundamentally change the character of the villages.</p> <p>I implore Gravesham to look at brownfield sites and regeneration of vacant houses/sites and save our villages and wildlife and greenbelt.</p>
