Reasons for comment:	
Comments:	<p>I object to the proposed development for the following reasons</p> <p>The development is close to a school and the additional traffic generate will cause pollution.</p> <p>The additional traffic will add to local road congestion by the school and at the junction with the A227</p> <p>Local services such as GP's and schools will come under great pressure.</p> <p>There will be a loss of green belt.</p> <p>Other local proposed housing developments, if allowed, will only exacerbate the above mentioned issues.</p>
