Reasons for comment:	
Comments:	This is a ridiculous plan. Wrotham road is an already extremely busy road. There only has to be temporary lights, which is often and traffic backs up for miles. This can lead to missed appointments, late for work, late for schools. Meopham and Culverstone are quiet villages, this is not a place for 350 dwellings. the infrastructure is just not there, besides who are these places aimed at?? Getting anywhere without a car is difficult and if they do have cars the road will be impossible. This is a no win situation for all villagers here.

Kind regards
