Reasons for comment:	
Comments:	This site is close to the A227. The road is already extremely busy and is used as a rat run and 350 more houses will generate hundreds more cars travelling on an already over used road. If there are problems on the A2, the traffic will be quadrupled at least. The parking in this area is already difficult due to the close proximity of schools and is a hot spot for accidents. Due to the proposed building of so many houses, Meopham will lose its character completely. The people of Meopham and the wildlife will lose something precious. Please think before allowing this to go ahead

Kind regards
