Reasons for comment:

Comments:	<p>A very dangerous junction cannot take potentially another 700+ cars using it on a daily basis. Along with the danger of extra traffic from the schools on Longfield Road and the extra proposed housing there these problems will block the whole of the Wrotham Road. Delivery vehicles trying to get to the Parade will cause havoc and casualties giving further problems to our already overstretched emergency services.</p> <p>Loss of our agricultural land which is necessary for our future will be unable to be replaced and leave future generations without the option to feed the nation and make us reliant on imported and more expensive produce.</p> <p>The impact will go further along the Wrotham Road causing accidents and incidents near the already too congested Meopham Academy , Doctors surgery, library and nursery. The George section of the road is already highly dangerous and cannot take anymore passing traffic.</p>
