Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I object to this proposal in full, due to:</p> <p>Destruction of much valued green belt.</p> <p>Additional traffic on already congested village roads and lanes.</p> <p>As a local parent I am particularly concerned by the danger posed by traffic, which seems to ne prmoted by local goverment rather than addressed (eg devlopment of shops and restairants on Camer Parade with no safe or legal parking)</p> <p>Loss of beautiful rurall environment which is appreciated by local residents - an amenity for walkers, dog walkers, runners - not just locals for whom this will be lost forever.</p> <p>Special concern re dirsruption for SEN school.</p> <p>Local facilities cannot sustain incrazed population proposed.</p> <p>Runoff of additional building will add yo risk of flooding which has not been addressed locally by council / hoghways</p> <p>Loss of farmland which should be avoided at all costs given present international political instability and climate uncertainty.</p> <p>Insufficient local public transport.</p> <p>Meopham railway station is not relevant given rediced services, no link to Gravesen and old ideas re comuting (flexible working) generally do noy apply.</p> <p>Local doctors surgery and schools do not have capacityu to accomodate increased villagr population proposed.</p>
