Reasons for comment:	
Comments:	<p>This planning development is next to the Helen Allison School for SEN pupils - this development will cause stress and sensory overload, negatively impacting the wellbeing of vulnerable children.</p> <p>The site is agricultural land necessary for food production.</p> <p>Longfield Road is narrow and is highly congested during school start and finish times - the extra traffic (potentially 240+ cars, plus delivery and service vehicles) would negatively impact the area and be dangerous to school children and families.</p>

Kind regards
