Reasons for comment:	
Comments:	We need 2 and 3 bedroomed houses that are not detached properties and affordable to the youth of the village. We do not need more detached houses on greenbelt land. We have no infrastructure with the current roads for more traffic through the village. Let alone we don't even have a doctor's for these new families to visit as it has been closed down. The field are a right of way and used for farming and by many villagers. There are many more brownfield sites to use ahead of expensive housing for people with no extra facilities in a village.

Kind regards
