Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The position of the proposed site does would not be able to support safe access from or to school lane and current traffic flow using village roads already congested into and out of village would be subject to further constraints and congestion and place villagers in danger particularly during construction. The village does not have supported facilities such as GP /school (primary) to cope with the housing numbers planned.

Kind regards
