Reasons for comment:

Comments: I absolutely object to these houses, the drs surgery is being closed, the school is over subscribed the roads are terrible as is and the beauty of the village is being surrounded by countryside, houses being built on that will be extremely detrimental to the village. The green belt land that the houses are to be built on is supposed to be protected, I don't understand how that can just be changed to suit the developers.i am absolutely against these houses being built.

Kind regards
