Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I am happy with the change of use as the establishment will be walking distance from my home, therefore no parking issues. However if visitors were to attend then there is plenty of parking available in Lords Street carpark. This will provide very important youth support. There will also be a food bank available which will help the community.

Kind regards
