Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this planning application taking yet more valuable and precious Greenbelt land. This is a huge planned development bordered on two sides by narrow and winding lanes wholly unsuitable for the amount of traffic this new planned site would generate. It would join Meopham to Sole Street amalgamating two entirely separate villages. The drains cannot cope now, there have been several severe floodings in Meopham this winter. The A227 is grossly over used with heavy traffic resulting in deep and dangerous pot holes and the subsequent many repairs (every week) cause huge traffic jams and hold ups. The infrastructure cannot cope now, another 725 houses would create an unbearable burden on hospitals, doctors surgeries, dentists etc which are already in desperate short supply. Brownfield sites must take priority and no possible consideration to Greenbelt should be given until EVERY SINGLE brownfield site has been utilised.

Kind regards
