Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to object to this application on the grounds that this is green belt land, which should not be built on. The environmental concerns. Narrow country lane unable to take caravan and associated vehicle traffic. There is also already an injunction on this land from 2009. And the caravans on the adjacent plot of land have already been refused permission to be there despite numerous appeals.

Kind regards
