Details of the pre-application advice received

Pre-application advice received highlighted concerns regarding the detrimental impact of the proposed development on visual amenity, the character of the area, neighbour amenity, and parking and highways. It was advised that a temporary consent for a unit could be considered, provided justification is made for its need, particularly focusing on mitigating the impact on surrounding properties in terms of noise and ensuring no obstruction to parking and deliveries.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
