2nd September 2024

Dear Sirs

Re Cobb Tree Court, Wrotham Road, Meopham, Gravesend, DA13 0AU
Erection of garden building to replace existing timber shed.
Planning Ref. GR/2024/0701

In the Society's view the proposal is for an excessively long building in a domestic environment and the building is likely to impact on the amenity of adjoining occupiers. If consent is granted the Society would suggest that the building should be an annex to the main dwelling and conditions should be imposed controlling any residential or commercial use.

Yours faithfully,

Mrs P A Lippiatt
Hon. Secretary
