2nd September 2024

Dear Sirs

Re White House Farm, School Lane, Higham, Rochester, ME3 7JH
Replacement of outbuilding forming single storey gym and retrospective
external repairs to other outbuildings. Planning Ref. GR2024/0733

The Society notes that works could affect the setting of the two listed buildings and structures of historic interest may have already taken place. The Society would support a review and action to reversal of changes that are considered prejudicial.

Yours faithfully,

Mrs P A Lippiatt
Hon. Secretary
