

1. All dimensions to be checked and verified on site prior to construction commencing: any discrepancies to be reported to client.

3. No dimensions to be scaled from drawing except for the purposes of Planning Applications. The contractor should check all dimensions on site. It is the contractors responsibility to ensure compliance with Building Regulations.

This information relates only to 'Significant Hazards' identified on this drawing and is to be read in conjunction with the Designer's Risk Assessment Register.

In addition to the hazards / risks normally associated with the types of work detailed on this drawing, note the following;
