Reasons for comment:	
Comments:	<p>Meopham is a village with a distinct and historic character. This development would adversely affect this character and would merge into the neighbouring village of Sole Street, creating urban sprawl and losing the identities of the two distinct villages.</p> <p>In addition, the A227 is already a busy and often congested road and this development is opposite an already dangerous junction. The road is already at capacity and further housing would make this significantly worse.</p> <p>The proposed development is also on good farmland which on e most would never be restored, which would be detrimental to food production as well as rural character.</p>

Kind regards
