## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Increased traffic as schools close to shops, no parking, pollution from vehicles queuing in heavy congestion, danger to children health & safety. Impact on infrastructure for schools, doctors surgeries, impact on local environment loss of habitat to wildlife , loss of green belt land losing the character of the environment and beautiful landscape. Exceptional circumstances to build where is the evidence to change the boundaries to be altered where is the need!!

Kind regards
