Reasons for comment:	
Comments:	<p>This site is designated as Green Belt land in our Local Plan to preserve the separation between rural and urban areas and prevent urban sprawl.</p> <p>Losing agricultural land is not sustainable; protecting it is vital for our future food security.</p> <p>Our local infrastructure is already under strain-not only hospitals and GP services, but also secondary schools and further-education provision.</p> <p>An increase in traffic will pose additional risks to vulnerable students at Helen Allison School and Meopham Primary School.</p> <p>The A227 is already at full capacity.</p> <p>The proposed site opposite Camer Parade includes an access point between Green Lane and the Parade, which is unsafe due to poor visibility and existing road-safety concerns.</p>

Kind regards
