Reasons for comment:	
Comments:	The land proposed is agricultural land and green belt. We need this land for food to sustain the growing population. Green Lane is a tiny road bordered by beautiful trees and shrubs. The lane already has a lot of traffic using it as a cut through for the A2 which causes accidents daily. The parade of shops has limited parking and also already issues with traffic. Visibility is an issue with the amount of traffic using the A227. The GP practise already has problems with the amount of patients currently on the books. This population growth will stretch the amenities to their limit affecting the daily lives of everyone in the area.

Kind regards
