Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Il object to this planning application on the grounds of it generating far too much traffic. There are 2 schools on Longfield road and extra vehicles will make it even more dangerous for children and parents. This is during the building process and after. Currently parking in the area is virtually impossible. There are not enough spaces, to the detriment of the local shops at Camer Parade. Queues of traffic occur every day and the resulting pollution must be detrimental to peoples health. Carving up our landscape will not be good for the wildlife which is already struggling. Our village is beautiful and we do not want to become just another housing estate, full of concrete, tarmac and yet more cars.

Kind regards
