Reasons for comment:	
Comments:	Green areas/ countryside is precious. More houses in the istead/ meopham area will cause so much more traffic on the A227 and surrounding roads, most mornings and evenings these roads are crawling or at a standstill. The A2 can not cope with more traffic either, constant traffic jams and daily fatal accidents on these roads are increasing. The area cannot cope with mre houses, the infant structure and facilities are not sufficient for the numbers of people living in the area as it is. We can't let our countryside be engulfed, the quintessential English village is becoming a thing of the past, villages are growing and encroaching on the neighbouring villages and soon will all be joined to the town.

Kind regards
