Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Objecting. Incorrect information, incorrect location. Despite this application not being approved, building , caravans and mobile homes have already been moved onto the land. What example does this set for other people? If anyone can just do this without planning permission what is the point of applying at all? The last applications had over 100 objections , which were all ignored and made no impact whatsoever. It's time to do the right thing and treat everyone equally.

Kind regards
