Reasons for comment:	
Comments:	<p>I strongly object as this Green Belt and this proposal would not enhance the area in any way.</p> <p>That particular area and junctions of the A227 are already over congested, the whole area can not support any more traffic.</p> <p>It is a beautiful part of our area and very close to Park land which is an important biodiversity.</p> <p>All of the local infrastructure is already overburdened and can not take any more households, especially of this quantity.</p> <p>The shops on Camer Parade are so overused that it is very hard to park there. Many times I have gone round and round the parade in my car, trying to park, before finally giving up trying to shop locally, and moved on to shop somewhere else.</p> <p>I believe the council should be enabling people to use local facilities and supporting local businesses by looking to provide additional parking rather than allowing increases to of houses in the area, which will only exacerbate the problem.</p>

Kind regards
