Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object as the traffic increased on the lane is unacceptable especially with the size of vehicles being taken up and down the lane. The destruction to the trees on the lane is appalling and this once beautiful lane was one of the things that brought us to this area. Surely residents living in this area should be given some consideration to their mental wellbeing due to the stresses of having these people in close proximity to them and their properties.

Kind regards
