Reasons for comment:

Comments:	<p>This is Greenbelt land, a development of this scale would not enhance the area.</p> <p>This development abuts both Parkland and The North Downs, and in my opinion, subtract from the character and openness of the area</p> <p>This application does not appear to have any special circumstances which allows a development of this type to be considered</p> <p>The general area that this falls within is already very congested with infrastructure and public facilities not coping.</p>
