Dear Mrs Grout,

We write in relation to the above application.

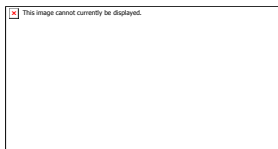

Although not necessarily material to the outcome of the application we have been informed that the age of the current owner was noted incorrectly in the Design and Access Statement. On that basis we have amended the D&A statement to include the correct on Revision P1 as attached.

We have also removed the statement relating to around the clock care to avoid any mis-understanding on the basis that care will be on-hand 24/7 as and when required once the grandmother moves into the annexe and the mother into the main dwelling.

Kind regards

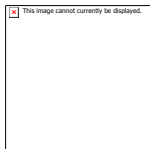

James Carney | RIBA
Managing Director

I'm aiming to run 100km throughout October for Prostate Cancer UK.
