I wish to **object** to planning application number **20251233** for the reasons stated below:

- ① This area/site is a Green Belt, Come Grey Belt (Farmland).  
The UK Doesn't have enough Farm Land For Agriculture Use so  
they build on this or any other Farm Land. What about Children's Future.
- ② This Area Istead Rise, Infrastructure Cannot Cope with any  
increase in population. All Services are running at maximum usage,  
Low Water Pressure, Some Power Cuts are some to mention, and a  
Bus Service that is getting less reliable, Services being Cut = Less Frequent.
- ③ The local Doctors Surgeries are at Maximum Capacity along  
with the Local Schools For all ages.
- ④ This Area/site is a risk of Flooding and has done so due to  
Inadequate & Poor Drainage being at its Designed Maximum.
- ⑤ The Local Road infrastructure is running at its maximum, any  
Problems Accident, Rust haws & Scholl Times The area comes to a Standstill Now.
- ⑥ What is the Impact going to be on local residents & neighbours.
