Reasons for comment:	
Comments:	<p>This will be an absolute nightmare, when there are any roadworks along Wrotham Road, the traffic buildup is horrendous, let alone having delivery/service lorries coming and going while work is going on, the parking for shops along Wrotham Road is already congested, without further cars from another 350 houses! I believe this will be hazardous having further houses built on this site! also along Longfield Road where the Primary School is and Helen Allison school, this also gets very congested during school drop off and pick up, and is a very narrow road, adding another 120 houses is ridiculous, this will also be upsetting for the children that attend these schools, which also incidentally become overcrowded. along with the secondary school.</p> <p>Not to mention the Doctors surgery, which will also become overcrowded!! Which means it will make it difficult to get an appointment, and will be a struggle for the older generation that live in our village.</p> <p>At the moment Meopham is a sought after, rural, quiet, village, and a lovely, place to live.</p> <p>You are planning on building these houses (who will all have at least 1 car per household!) and you will be turning it into a busy, congested, hazardous, overcrowded TOWN, NOT somewhere I want to live!</p> <p>I most certainly do NOT agree with your plans.</p>

Kind regards
