Reasons for comment:	
Comments:	Having reviewed the details of the garden structure proposed in the application, which is located 1.1m from our fence and is 70cm higher than our 6ft fence, I wish to file an objection. The windows facing our property encroach on our privacy and the height of the structures will not be pleasing to the eye, the structure at 2.5 m will be 70 cm taller than our boundary fence. Previously there was a small tree which afforded us a degree of natural privacy from the bungalow. There is also a large wooden building in the bungalow garden which does not affect us, cannot this be used as a gym?

Kind regards
