Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is in lawful residential use (C3) and the front garden is currently used as domestic amenity space. No previous planning applications or breaches have occurred. The proposed works will not alter any unlawful buildings or uses.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed vehicle crossover is onto an unclassified residential road and therefore qualifies as permitted development under Schedule 2, Part 2, Class B of the Town and Country Planning (General Permitted Development) (England) Order 2015. The front garden will be converted to either a gravel or block paved driveway, a permeable surface that allows rainwater to drain naturally within the property. No engineering works beyond the standard dropped kerb construction are proposed, and the site is not within a conservation area, does not affect any listed buildings, and contains no protected trees.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Please state the applicant's interest in the land

- ☒ Owner
☐ Lessee
